

Thinking Christianly: Life's Genesis

Embracing a Biblical Worldview¹, Lesson 4—Science & Biology

Review

Myers and Noebel's definition of Worldview:

“A pattern of ideas, beliefs, convictions, and habits that help us make sense of God, the world, and our relationship to God and the world.”²

Introduction

What Science Owes to the Biblical Worldview

Some beliefs that made science possible:

- Nature is _____
- Nature is _____
- Nature is _____
- Nature is _____

Why Science?

What is science?

The aim of science is simply to _____.

What is good science?

The constant search for _____.

Why would a Christian care about science?

Revelation 4:11

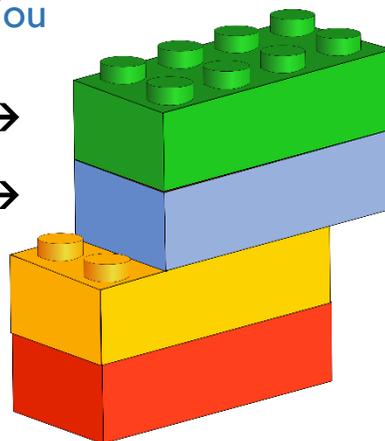

Where a Worldview Will Lead You

Where does life come from? →

How do you know? →

What is real? →

What is ultimate? →

¹This lesson material is from the worldview curriculum, *Thinking Like a Christian: Understanding and Living a Biblical Worldview* by David Noebel and Chuck Edwards. Material from *Understanding the Times* is also used.

²Jeff Myers & David A. Noebel, *Understanding the Times: A Survey of Competing Worldviews* (Manitou Springs, CO: Summit Ministries, 2016), 5-6.

Naturalism

_____ nature
Life from _____ - _____
_____ → Neo-Darwinism

Supernaturalism

Personal _____
Life from _____
Design → _____ Design

What Difference Does It Make?

What difference does it make if I'm a Christian and believe that macro-evolution happened?

Evidence from God's Word

Take 5 minutes at your table and read Psalm 19:1-4 and think together about these questions:

- 1) Verse 1: What role does the physical universe play?
- 2) Verse 2: The word "they" refers to what?

What is it that nature pours forth and displays?

- 3) Verses 3-4: Is this knowledge of God communicated to people everywhere?

In what way is it communicated?
